EXPERIENCE

McDonald's: Munser, Indiana — Crew

OCTOBER 2018 - JANUARY 2019

Mainly did maintenance, such as filtering and replacing fryer oil when needed; making sure there was no trash on the outside property. Occasionally helped with customer service.

AutoZone: Jacksonville, Florida — Parts Sales Manager

MARCH 2020 - JULY 2022

Tasked with opening and closing the store as well as counting money before, during; and after store operations. I updated planograms, and made sure my team did their tasks and stayed productive.

Target: Jacksonville, Florida — Team Member

SEPTEMBER 2022 - PRESENT

Currently staged in the market area, I make sure all products on shelves are neat and in order; and I fill the product when needed. All of this is paused if and when a guest has a question or needs help.

EDUCATION

Columbia College Chicago: Chicago, Illinois — N/A

JULY 2015 - SEPTEMBER 2015

I attended a single summer semester taking a Japanese Language class.

University of Central Florida Coding Bootcamp: Online Course — Complete

SEPTEMBER 2022 - DECEMBER 2022

I enrolled in a Full Stack web development bootcamp for a 3 month period. I learned HTML, CSS, Node, JavaScript, DBeaver, React, JQuery, and much more.

PORTFOLIO

<https://reactive.herokuapp.com/>
